“Celebrating Life at Christmas and Throughout the Year”

As we head into the Christmas season, we all have a lot on our minds. There's shopping, baking, wrapping presents, decorating, traveling, planning the post-holiday diet. It is all too easy to get caught up in things that have nothing to do with the reason for the holiday—the birth of our Lord. That is, after all, what we celebrate on December 25. We also celebrate life, we celebrate family, and we celebrate the hope that comes with each new life.

Right after Christmas, we celebrate New Year's, and many of us make lists of resolutions we promise ourselves to strive for during the new year. “I will lose 10 pounds; I will organize my closets; I will have a better relationship with my neighbor.” Creating that list is an act of hope.

Sometimes that hopefulness dissipates during the course of the year; but at the Obria Medical Clinics, hope springs eternal. Obria operates five life-affirming health clinics in Orange and L.A. Counties, providing pregnancy tests, ultrasounds, STD testing and treatment, prenatal and well-woman care, free parenting classes, adoption and community resource referrals. Last year alone, Obria helped save 570 babies, including 20 saved through abortion pill reversals.

Clare's face will be familiar to many of our members, since Clare is a member of NHRW, and is the former Executive Director of the Lincoln Club of Orange County. She lives in Orange with her husband Matt and three young children.
